
Sonic The Hedgehog 2d Full Download ##TOP##

July 23, 2016 - After 25 years, Sonic and his buddies Tails and Knuckles are back in their original glory. SEGA announced on Friday that the new 2D. net platformer Sonic the Hedgehog 3 will be released for iOS and Android in 2017. According to SEGA, the game will be available in Japanese and English.

At the end of May, Sonic debuted as an animated feature, though it's not yet clear when the new movie will hit theaters. SEGA was previously linked to this project with director

Tom Walkowski as director, but Walkowski was unable to make it as it was not possible to work with SEGA.
