Police said the Honda four-wheel vehicles were driving through the Greenway at the time, which is a popular bike path. Several dirt bikes were hovering over the edge of the trail, and several officers were forced to remove them. The dirt bikes were towed out of the Greenway and a no trespassing sign was put up, according to police. The dirt bikes were created for off-road racing and often feature four or six wheels. Police said the area was being monitored for illegal use of off-road vehicles. __ For the latest breaking news in your inbox subscribe to our breaking news email alerts.Association of Swedish Osteopathy with orthopaedic surgery: strengthening the link between the disciplines. The specialty of osteopathy has developed in Sweden over the last decade, but little is known about the links between osteopathy and surgery. To quantify the link between osteopathy and orthopaedic surgery in Sweden, we performed a retrospective population-based cohort study of all patients during 2002-2010 in the administrative registers of the Swedish National Board of Health and Welfare and the Swedish Occupational Licensing Board. Patients were included if they were diagnosed as being an oste
