

April 15, 2020 - Data surplus from your wireless carrier can accumulate quickly. . using a huge amount of data without any change in your behavior. We are now introducing a new service that helps you keep track of your data. You can use this service with a free trial period. It lets you keep track of which apps are using your data and how you can use it more efficiently so your mobile data is more efficient and your mobile network costs are smart. In addition, you can use your mobile phone as a data usage counter.
