It's you and up to 12 others battling for territory in this first-person multiplayer free-to-play shooter. You will be dropping on the enemy teams and demanding them to surrender or fighting back to stay at the top of the rankings. The teams are formed with characters from first to third person, with regular and new weapon types, health, armor, and special equipment that may be picked during the matches. The more the players progress through the ranks, the better equipment they can use. Some of it is introduced during the match with airdrops. Collect them to get valuable weapons and accessories, a stat booster, or just experience from it. You can also pick up ammo from dead players. The weapons are what they are: they work the best. The starting loadout is there to get you started and the equipment is available through airdrops as well as in regular supply drops. Key Features - Realistic

BOUNDELsounds : Storytelling stuff that makes your ears smile, built from a soundtrack by two multi-instrumentalists who love to tell stories with sound and something to play. Soundtracks to something artsy in your life - if you are turning cards into visions, crushing your days with fevers and traumas - tell stories as well. Boundel release "Stagefright". It is a big production, lots of time and effort has been put into this and it shows. For more than a year I have been composing music and recording "Soundcapes", some like western music, polkas and I played the trumpet a time (I AM A TUBAS AND PEPPERBOTTLE TYPE OF GUY). If you listen carefully, you will recognize some of my recordings - that only means that you listen to what I made (I post them all on Soundcloud). Some songs end with trombones. There are trombones and guitars. It is grim and heroic, but still funny. There is also a metaphor where you breathe with a heart ? Here is your first Christmas ever by James Thorley. Recorded at time of troubles in Maine and amped up. It is simple and processional. Search for "Christmas from Boundel". You'll find three other longer tracks too and none are much of a surprise. Your first Christmas of this millennium, present day. Not just a one-off... here is a compilation of two years of work, mainly for internal use and play-listings... but this is also for people who would like to play the songs in heavy rotation... over the christmasfestseason ? Please get in touch with me if you wish ? EIGHT track compendium of music from the first half of 2013. Often a mixtape is a CD with an EIGHT-track playlist. So, no worries. IT HAS MANY MORE ? I hope it satisfies, I had a great time doing this and it seems that the main part of it was not letting anybody's feet down. I had a short break in summer, to rest and a change of place (Tuc le zonzes) and thus it was great to work on some newer material - even if the rest is age-related. I had some hiccups in the spring but I think that I am up

Michael Rookard RPG Maker Resources When You're Finished Enjoying This Game If you're enjoying Crimson Towers and Crimson Towers Battlepack on your favorite game maker and just want to send some love in their direction (and maybe give them a little bit of credit for all of their great hard work), then please

consider checking out some of the other fantastic indie games and resources they're putting out - and be sure to tell them you've heard of them from us. At the moment I can just recommend checking out your previous games as well, they're both worth a look, and while they are quite old, both games are still very playable.
